

# Prescribed Fire Workshop Follow-up and Pasture Walk

- **Topics to discuss:** Did we meet objectives? What was the response to the prescribed fire? What is the landowners perspective, and what might be the next steps? Learn about grazing, land management, challenges, and native plants.
- **When:** Wednesday August 17 10-2
- **Cost:** FREE
- **Who:** Anybody interested in grassland management, prescribed fire effects, and native plant identification.
- **Where:** We will meet at Doug's corrals north of Mitchell along SD Hwy 37. Corrals are located ~1 mile north of E 54<sup>th</sup> St (the airport road) on the east side of the highway.
- **Contact:** Joe Blastick [jblastick@tnc.org](mailto:jblastick@tnc.org) 605-880-6541 RSVP PREFERRED but not required for logistics
