**areas, and bring a chair.**

\*rain date: Saturday, June 10, 2023

## Wildland Urban Interface (WUI) Neighborhood Workshop

Come and see the aftermath of the Gehrt Rd wildfire that occurred on March 31, 2023 and learn how you can protect your property from wildfires. Representatives from several organization will give presentations on fuel management, soil health benefits, mitigating fire risk, and becoming a firewise community.

**Limited space only allows for Gehrt Rd and Deep Creek residents.**

SPONSORED and SUPPORTED by: Riley County Conservation District, Kansas Forest Service,  
Riley County Emergency Management/Fire District #1
