

# Lead Ignitor Award

This award is open to any prescribed fire practitioner that is engaged, active, and is a significant supporter of prescribed burning within their state (*ND, SD, NE, KS, OK, TX*) for conserving native grasslands, wildlife, and ranching heritages. This award recognizes an individual or group who has made lasting contributions in prescribed fire and inspired others through their creativity, innovation, leadership, application, guidance, and communication.

To nominate, please compose a letter (no more than 800 words) explaining how the nominee embodies the award's purpose, and a list of three or more individuals (with contact information) who confirm the nominee's contributions.

When submitting your nomination, please assume we don't know the nominee, include specifics about why they are deserving in your nomination letter.

## **Submitting award requirements:**
