ARE YOU INTERESTED IN
PRESCRIBED BURNING,
BUT DON'T KNOW HOW?

These workshops are for landowners, resource professionals, volunteer fire departments, and others interested in burning. Learn the basics of applying prescribed fire to the landscape. No prior burn experience needed to participate.

\$10 registration includes materials and lunch.

JOIN A PRESCRIBED BURN ASSOCIATION

Prescribed burn associations are groups of landowners, land managers, and volunteers who share their time, equipment, and expertise to support each other in implementing prescribed fires within their communities. Nebraska has many established burn associations where people can volunteer, as well as opportunities to form new associations where there is a need.

Contact Brian Teeter at 402-219-2572 or bteeter@pheasantsforever.org to find one nearest you or to start your own.
